

Deuce

AMCEG2020ASZ Available with storage option or extra seats

AMC

Deuce

2023

2 seater Fully electric

Integrated Navigation and entertainment system

Street legal

AMCEG2020ASZ

- 1. A combination of style and performance
- 2. Smooth, silent, and seamless driving control
- 3. Regenerative braking to near zero speed
- 4. Excellent hill climbing and parking abilities
- 5. Consistent and efficient electric drive-train
- 6. Quick and efficient battery charge maximizes up-time
- Vertically integrated production process ensures premium quality and reliability

Item Number	AMCEG2020ASZ
Battery	Deep cycle, lead acid battery, Trojan brand, imported
Motor Power	3.8, 5KW DC / AC
Controller	Curtis brand, Separately excited, imported /Zapi
Passenger capacity	2
Range (loaded) based on flat	>45
road at a speed of 12 mph (mi)	
Max. speed	18-25 depends on motor setup
Minimum turning radius (m)	3
Max. climbing ability	20%/22% depends on motor setup
Max. loading weight	705 lbs
Overall dimensions (ft)	9.6 x 4.3 x 6.5
Body and Frame	
Frame	Welded steel framework with
	phosphate+electro-coating treatment
Body	PP plastic front body + PP plastic rear body
Roof	Fiberglass
Windshield	one-piece Organic glass
Large Seats:	Rebond seat + artificial leather, formed armrest,
	plastic seat bottom
Floor	plastic seat bottom rubber
Floor	rubber forward/reverse switch, battery capacity indicator,
Floor Dashboard in black plastic	rubber forward/reverse switch, battery capacity indicator, ignition key
Floor Dashboard in black plastic Beverage holders	rubber forward/reverse switch, battery capacity indicator, ignition key 4 cups drink holders 2 headlights, 2 front turn signals, 2 tail lights(each
Floor Dashboard in black plastic Beverage holders Electric system	rubber forward/reverse switch, battery capacity indicator, ignition key 4 cups drink holders 2 headlights, 2 front turn signals, 2 tail lights(each combined 1 brake light with 1 turn signal), with
Floor Dashboard in black plastic Beverage holders Electric system	rubber forward/reverse switch, battery capacity indicator, ignition key 4 cups drink holders 2 headlights, 2 front turn signals, 2 tail lights(each
Floor Dashboard in black plastic Beverage holders Electric system	rubber forward/reverse switch, battery capacity indicator, ignition key 4 cups drink holders 2 headlights, 2 front turn signals, 2 tail lights(each combined 1 brake light with 1 turn signal), with DC-DC converter (converting from 48V to 12V), horn.
Floor Dashboard in black plastic Beverage holders Electric system Lighting system and horn Charger	rubber forward/reverse switch, battery capacity indicator, ignition key 4 cups drink holders 2 headlights, 2 front turn signals, 2 tail lights(each combined 1 brake light with 1 turn signal), with DC-DC converter (converting from 48V to 12V), horn. Reversing alarm
Floor Dashboard in black plastic Beverage holders Electric system Lighting system and horn	rubber forward/reverse switch, battery capacity indicator, ignition key 4 cups drink holders 2 headlights, 2 front turn signals, 2 tail lights(each combined 1 brake light with 1 turn signal), with DC-DC converter (converting from 48V to 12V), horn. Reversing alarm China origin, input 110V-240V~50Hz-60Hz, output
Floor Dashboard in black plastic Beverage holders Electric system Lighting system and horn Charger	rubber forward/reverse switch, battery capacity indicator, ignition key 4 cups drink holders 2 headlights, 2 front turn signals, 2 tail lights(each combined 1 brake light with 1 turn signal), with DC-DC converter (converting from 48V to 12V), horn. Reversing alarm China origin, input 110V-240V~50Hz-60Hz, output
Floor Dashboard in black plastic Beverage holders Electric system Lighting system and horn Charger Steering and Suspension	rubber forward/reverse switch, battery capacity indicator, ignition key 4 cups drink holders 2 headlights, 2 front turn signals, 2 tail lights(each combined 1 brake light with 1 turn signal), with DC-DC converter (converting from 48V to 12V), horn. Reversing alarm China origin, input 110V-240V~50Hz-60Hz, output 48V, 22A onboard Single-stage rack and pinion steering system,
Floor Dashboard in black plastic Beverage holders Electric system Lighting system and horn Charger Steering and Suspension Steering system	rubber forward/reverse switch, battery capacity indicator, ignition key 4 cups drink holders 2 headlights, 2 front turn signals, 2 tail lights(each combined 1 brake light with 1 turn signal), with DC-DC converter (converting from 48V to 12V), horn. Reversing alarm China origin, input 110V-240V~50Hz-60Hz, output 48V, 22A onboard Single-stage rack and pinion steering system, automatic rocker compensating function
Floor Dashboard in black plastic Beverage holders Electric system Lighting system and hom Charger Steering and Suspension Steering system Brake system	rubber forward/reverse switch, battery capacity indicator, ignition key 4 cups drink holders 2 headlights, 2 front turn signals, 2 tail lights(each combined 1 brake light with 1 turn signal), with DC-DC converter (converting from 48V to 12V), horn. Reversing alarm China origin, input 110V-240V~50Hz-60Hz, output 48V, 22A onboard Single-stage rack and pinion steering system, automatic rocker compensating function Mechanical brake
Floor Dashboard in black plastic Beverage holders Electric system Lighting system and hom Charger Steering and Suspension Steering system Brake system Accelerator	rubber forward/reverse switch, battery capacity indicator, ignition key 4 cups drink holders 2 headlights, 2 front turn signals, 2 tail lights(each combined 1 brake light with 1 turn signal), with DC-DC converter (converting from 48V to 12V), horn. Reversing alarm China origin, input 110V-240V~50Hz-60Hz, output 48V, 22A onboard Single-stage rack and pinion steering system, automatic rocker compensating function Mechanical brake Stepless speed change
Floor Dashboard in black plastic Beverage holders Electric system Lighting system and horn Charger Steering and Suspension Steering system Brake system Accelerator Suspension system	rubber forward/reverse switch, battery capacity indicator, ignition key 4 cups drink holders 2 headlights, 2 front turn signals, 2 tail lights(each combined 1 brake light with 1 turn signal), with DC-DC converter (converting from 48V to 12V), horn. Reversing alarm China origin, input 110V-240V~50Hz-60Hz, output 48V, 22A onboard Single-stage rack and pinion steering system, automatic rocker compensating function Mechanical brake Stepless speed change Front and rear plate spring + vibration absorber
Floor Dashboard in black plastic Beverage holders Electric system Lighting system and horn Charger Steering and Suspension Steering system Brake system Accelerator Suspension system Driving mode	rubber forward/reverse switch, battery capacity indicator, ignition key 4 cups drink holders 2 headlights, 2 front turn signals, 2 tail lights(each combined 1 brake light with 1 turn signal), with DC-DC converter (converting from 48V to 12V), horn. Reversing alarm China origin, input 110V-240V~50Hz-60Hz, output 48V, 22A onboard Single-stage rack and pinion steering system, automatic rocker compensating function Mechanical brake Stepless speed change Front and rear plate spring + vibration absorber Rear axle two stage deceleration, motor direct driving

I-play Car play system

AMC's new electric golf car introduces seamless connectivity with your Bluetooth devices.

GPS, Music, Backup Camera, and more

12-inch color LED display. 160° Backup camera,

Touch screen for ease of access.

Tech enthusiasts can now effortlessly integrate their iPhones or Androids, accessing navigation, music, and communication apps directly from the vehicle's dashboard. This not only enhances convenience but also ensures a safer and more enjoyable ride.

DOME LIGHTS

AMC introduces exclusive remote controlled dome lights

With our exclusive lights you can have peace of mind even with night driving.
