AMCEG6088K

AMCEG6088K is AMC's classic electric shuttle bus generation. It's designed with the advantage of AMC's three old electric shuttle bus generations to maximize its aesthetic shape and good performance. With those two features plus its low noise, this kind of electric shuttle bus is perfect for transport in closed areas such as parks, resorts, gardens, museums, villages, hotels, airports, communities, big factories, pedestrian streets, etc.. With ten years' experience, AMC is providing you the most suitable, reliable, comfortable electric shuttle bus!
